PARENT/STUDENT/TEACHER CONFERENCES

Parent/Student/Teacher Conferences are scheduled for next **Wednesday 2nd August**. This is a student free day, however students are required to attend their Conference. At Katandra West Primary School we encourage and support students to take responsibility for their social and academic learning. When students become aware of the learning process, they gain control over their learning. Students will be involved in the Conference by discussing their work with their parents and teachers. If needed, students can leave the

Conference for the last part, to allow any discreet discussion between parents and teachers. Thank you to those families that returned the notice indicating their preferred time, a notice informing everyone of their allocated time has been sent home today. Due to next Wednesday being a student free day, the newsletter will be sent home on Tuesday next week.

LIGHTNING PREMIERSHIP

Our Year 5/6 students (and some Year 4s) have been preparing for the Lightning Premiership being held on **Friday 4th August** in Numurkah. We are entering a football team and a netball team. Thank you to Nat Garner for helping with the netball team. Parents are welcome to head over to Numrakah to support the teams participating.

15 MILE CREEK CAMP

Today we had a visit from David who is a teacher at the 15 Mile Creek Camp. David showed us some short videos pictures of the camp, which is an outdoor school. David also spoke to us about the activities we will have the opportunity to participate in, and answered our questions about camp. Families will need to finalise the payment for camp prior to their child attending. Please contact the office for payment options. Initially we thought students needed to bring their lunch for the first day, this is **NOT** the case. Students **ARE NOT REQUIRED TO BRING ANY FOOD AT ALL**. Food in cabins can attract unwanted wildlife so please do not pack any food or snacks (including lollies) for your child. I have previously attended 15 Mile Creek Camp, and I think it's the best fed camp I have ever attended!

2018 ENROLMENTS

Our first official Transition session is scheduled for **Wednesday 9th August**. Our current Foundation students will walk down to the Katandra West Children's Centre and spend time with the Kindergarten children. If you know of any potential enrolments for 2018, please encourage them to visit the school and take a look at the engaging programs we offer at Katandra West Primary School.
