GRADE 3/4 BALLARAT CAMP

Families with children in Grade 3 and Grade 4 will receive further notices about the upcoming Ballarat Camp with today's newsletter. Please complete the forms and send them back to school no later than the **3rd November**, it is helpful to have them returned earlier. If your child is not attending camp, please let the office know. Students not attending camp are still required to attend school, an alternative program will be provided at school for such students.

**ACCOUNTS**

Accounts for all outstanding payments will be sent home to families today. We are fast approaching the end of the school year, please finalise all accounts as soon as possible. Families are encouraged to contact the office to discuss a payment plan if necessary.

QUANTUM EXCURSION

We are looking forward to our excursion to Quantum Victoria on **Monday 30th October**, refer to the notice sent home today for further details. Quantum Victoria is one of six Specialist Science and Mathematics Centres established by the Victorian Department of Education and Training. It is embedded within Charles La Trobe P-12 College and has positioned itself as a leader of Science, Technology, Engineering and Mathematics (STEM) education both within Australia and internationally. The programs offered at Quantum Victoria support the Victorian Government's Education State Strategy with a particular emphasis on the development of skills and literacy in the STEM disciplines and the Digital Technologies Curriculum. Students acquire skills and knowledge that will enable them to function in the multi-disciplinary, ever changing 21st Century environment that awaits them.

KATANDRA EAGLES JUNIOR CRICKET

U/12s have started the season and are still looking for a couple of kids to give us plenty of numbers, training is on Wed. afternoons from 5.30 at the main oval nets and games are played on Friday nights from 4.30pm. If you have kids interested please come along to training or the game to see how they go. This Friday night's game is at our school oval so come along and support the kids.

MILO IN2 CRICKET

Milo cricket caters for the younger boys and girls aged 6-9. It is a fun program aimed at introducing kids to the game of cricket. This year we will be running the program:

Thursday evenings from 6-6.45pm

Commencing Nov 2 2017

Concluding Dec 21 2017

Katandra Rec Reserve (in front of new community centre)

Registrations are done online at www.playcricket.com. Simply go to the website enter Katandra as centre and follow the links to register.

For more information on both juniors and milo cricket please contact Paul Harry 0400 158 328.
