**School Privacy Policy:**

The school Privacy Policy has been attached to the newsletter today. This policy explains how our school collects and manages personal and health information, consistent with Victorian privacy law. If you have any questions about this policy, feel free to come in and see me.

**Shepp News Foundation Photos:**

The Shepp News will be visiting the school on Monday the 25th of February to take the Foundation student's pictures for the Shepp News Foundation spread.

**Canberra School Camp:**

Just a reminder to make sure you have handed in all the required forms and made your final payments. Canberra camp is always a highlight of the students time at Katandra West PS and I'm looking forward to heading there early Monday morning.

**Parliament and Civics Education Rebate:**

4/5/6 students from our school will soon be undertaking an education tour of the national capital during their camp to Canberra. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.
