STUDENT LEARNING CONFERENCES

The timetable for the Student Learning Conferences has been sent home today. As you will see, teachers will have 10 minutes to discuss your child's learning goals, reflecting on Term 1 progress and goals moving forward in Term 2. It is important that you are punctual and stick to the time allocated in order for the afternoons to run smoothly. If any matters are not covered in the time allocated, they can be followed up at a later date. If you have any questions regarding the Student Learning Conferences, please contact me at school.

AUSKICK

Auskick sessions have started this week at school, they will run during the **lunch break on Tuesdays**. The sessions will be held for both Auskick registered participants and general students but they must notify the office or Laura Lawn if they would like to participate and they must commit to participating for the whole 40 minute session. It was great to hear students return to class after lunch talking excitedly about the fun they had participating in Auskick.

NET SET GO

This week also sees the Net Set Go program commence for registered participants. The first session is on **Thursday 22nd April at the Katandra West Recreation Reserve netball courts @ 4.00 pm**. Tamara McLarty is the Net Set Go Coordinator if you have any questions.

There will be an opportunity for people to lay their own wreath or flowers during the service when the wreath from the school is laid by student leaders. On display at the service will be the beautiful Anzac quilt that has been donated to the school by Kaye and Kevin Teague. The quilt will then be hung on permanent display at the school.

Due to it being ANZAC Bunnings doesn't open until 1pm. So we don't need as many helpers for earlier shifts.
