BOOK FAIR

We have had a fantastic response to our Book Fair. It is great to see so many students purchasing books of interest to them, it shows their love of reading. The Book Fair will continue until **Friday 24th July**. To purchase from the book fair, just send along your child's "wish list" indicating the books that they are allowed to purchase with the money. You can also pay online via Scholastic, **making sure it is through the**

Katandra West Primary School Book Fair section. If you pay online you will need to provide the school with the receipt number you receive when you make the payment along with the list of books you have paid for. Your child will then visit the Book Fair with Karen during the day and take home their books at the end of the school day. Thank you for supporting the Book Fair, we appreciate your flexibility in purchasing from the Book Fair in a different way than we have in the past.

SCHOOL PHOTOS

Our school photos are scheduled for **Friday 24th July**, I hope your child has been practicing their best smile! Please return the photo envelope for your child by Friday morning. The envelopes are personalized for each student and will be scanned when their individual photo is taken.

END OF AN ERA

Conny Barry has driven the school bus for Katandra West Primary School for many years. She has served our school community well, transporting our students safely between home and school. Conny will drive the bus run for the last time on Friday. She is retiring from her role as bus driver to free up some time to fulfil family commitments. On behalf of the school community I would like to congratulate her on her retirement and wish her all the best.

**THANK YOU MICHELLE**

I would like to publicly thank Michelle for her dedication to her work at Katandra West Primary School. During Term 2 and Term 3 Michelle has gone to great efforts to ensure the extended and increased cleaning arrangements meet all guidelines provided by DET. This has included sourcing hospital grade cleaning products for use at Katandra West Primary School. There are many things we can not control during COVID-19, however the excellent cleaning regime is something we can control. Thank you Michelle.

**STUDENT LEARNING CONFERENCES**

Please see the schedule for Student Learning Conferences that has been sent home today. Your child is only required at school for their Student Learning Conference. The only time you are permitted to be onsite is for your child's Student Learning Conference and physical distancing requirements of 1.5m between adults must be adhered to. The Conferences will need to stick to time to ensure we don't have a line up outside each classroom. Please be punctual and also leave the school immediately after your child's Conference. If you don't have time to discuss everything, arrangements can be made for another conversation with your child's teacher over the phone on another day.

READING COMPETITION!

The Year 3 to 6 students will be taking part in a Scholastic reading competition. It will run for a six week period starting on **Monday 27th of July**. Vouchers for Scholastic Book Club will be awarded to two students in each of the year levels for reading the most amount of words. After a book is finished, students have to pass a quiz about that book to be awarded the number of words in that book. When any book has been completed, that student will receive a leaf that they will place on our reading tree. After the competition, all leaves will be turned into a raffle with lots of awesome prizes to be won. Students will be given time for reading at school and we encourage them to read at home also. **Let's bring our reading tree to life!**

SOCCER REPORTS

Under 10s played a competitive game against St Brendan's despite what the scoreboard said. In our first game back for the season, we showed excellent teamwork. Our speed up and down the pitch resembled Usain Bolt in his 100m Olympic final! Tom Cleary bent it like Beckham to put us on the scoreboard and Hamish and Rueban made plenty of stoppages as goalies. Carter zigged and zagged across every centimetre of the pitch with no sign of tiring. Tyler and Simmy worked to steal plenty of passes from St Brendan's boots. Seth and Dean impressed their new teammates with their agility and skills. Laurence kept pace of the ball and enjoyed the forward line. Parker used some fancy footwork to pass off to teammates and Jack showed leadership and played a remarkable game, nearly scoring about 7 times. Final score Cruzers 1 (nearly 8) vs St Brendan's (not entirely sure because we aren't meant to keep score)

Awards: Tom, Tyler, Carter, Hamish, Seth.

Under 7s: Everyone was very excited to be starting the season at the Shepparton Soccer fields on Saturday. Most of the members of the Under 7s Cruzers were playing their first game of soccer and they all played extremely well. Katandra West PS was represented by Harvey Lawn, Smith Van Popering, Lilly McLarty, Izzy Felmingham, Zoe Campbell and Esther Cleary. The whole team ran hard & tried their hardest against a very experienced St Luke's Outfit. Well done to Ryan and Harvey on scoring their first goals. Awards: Pizza Hut - Ryan, Go Jump - Lilly, McDonalds - Harvey.

Build a Country

We haven't been able to travel for a while so today was an exciting day as our students travelled to many wild and wonderful countries created by our 4/5/6 students. We all took our passports with us as we visited each of the countries, listening to presentations informing us about the population, tourist attractions, languages, governments, traditions, etc of each country.
