NTS & FRIENDS

Please send back the notice indicating your preference for a time if you can help.

PARENT PAYMENT

Paying the Parent Payment ensures that we can continue to provide quality resources and experiences to support a rich educational program at Katandra West Primary School. The 2025 Parent Payment includes an excursion component that covers the costs of the swimming program, excursions and incursions throughout the school year. **If you do not pay the \$125 excursion component of the Parent Payment, you need to pay for each individual excursion/incursion.** For example, our F-3 students will be participating in an excursion to Wangaratta as part of our Road Safety Program on 30th May. The cost of this excursion is \$25 per child. If you contribute to the excursion component of the Parent Payment, you will not be required to pay \$25 for this excursion. Please contact the office if you would like to discuss a payment plan to contribute to your child's 2025 Parent Payment.

BIKE EDUCATION

Thank you to everyone involved in last week's Bike Hike and the lead up sessions at school. The Bike Education Program at Katandra West Primary School is really something to be proud of. The program relies on the help of parent volunteers to be so successful. Again, thank you to everyone that has helped this year.

DIVISION NETBALL

Not only did our Year 5/6 students ride their bikes all around Shepparton last week, but they also competed in the Shepparton Division Netball tournament. Katandra West Primary School entered a Mixed Team and a Girls Team to compete against other schools from around the Greater Shepparton area. Both teams competed well, even through some light rain.
