REMOTE AND FLEXIBLE LEARNING

Thank you for your cooperation as we transition back into remote and flexible learning. I think we all agree that it's not our preferred way of operating. At Katandra West Primary School we have the values of **Be your Best** and **Be Strong**. We are going to be our best as we navigate through Term 3 and be strong if we face any challenges. Staff have been working madly over the last couple of days to prepare for remote and flexible learning. As it was in Term 2, we will continue to reflect on what we provide and improve the remote and flexible learning program throughout Term 3. How we start this week will probably not be how we finish at the end of Term 3. Please know that all staff are contactable via email during work hours. We are all here to support families, staff will respond at the earliest possible convenience (not during WebEx meetings of course). **School Stream** will be very important to keep checking, it will be the main way whole school messages are communicated. If you have any questions, please email me via the school email

katandra.west.ps@education.vic.gov.au

I have scheduled weekly WebEx assemblies on **Monday afternoons at 2.00pm**. I hope you and your child/children will join each week. Teachers will still award Students of the Week based on the work of students during remote and flexible learning. We want to continue anything we normally do at school, just in a different way.

SOCCER REPORTS

Under 7s: It was wonderful to see some excellent teamwork by the Under 7s - they're all improving each week. They came up against a strong team in Shepp East who beat us on the scoreboard but the Cruzers fought hard and had a lot of the ball. Lachlan Davis scored a terrific goal and was awarded the Pizza Hut award and Esther Cleary was awarded the McDonalds award for her improvement with her foot skills. Great work Cruzers!

Under 8s: Under 8s played a difficult team on Saturday. We were very proud of their attitude towards the other team who were not very good sports. Nathan started in goals. Stopping goals by diving after every ball that came near him! Edwin read the game well, helping to defend the goals. Ella's netball skills were evident as she tried to find space on the field. James did a great job in defence helping the goalie. Kiharn did a great throw in down towards our goal. Ruby always ran hard at the ball and followed the game well. Chelsea had a determined look when the ball came down our attacking end. Will and Andrew always supported their team and ran hard. Edwin and Harper won the awards.

Under 10s: A bit of a change to game tactics saw the Under 10 Cruzers play a better style of game this week.

We worked hard on our forward line, midfield and defence. Tom set the scene for a fast paced game moving the ball fast to the forward line. Tyler, Seth and Laurence worked well in defence to stop the ball getting to close Shepparton Soccer Clubs goals. Our midfielders Carter, Jack, Simmie and Seth worked tirelessly applying the right amount of attack and defence, with Carter zigzagging up forward to kick a goal. Our forwards Parker, Dean and Reuben worked well to clear some space and get the ball moving towards our goals. Hamish and Tom showed excellent skills stopping goal after goal!

Unfortunately, our season has ended. We would like to thank Brett for committing his time to being our coach. He is a very calming and encouraging presence to be leading our team. Thank you to Kylie Adams for making all of this happen-you are very hard working and fair and we appreciate everything you did behind the scenes! Thanks to our team managers, Laura and Amy for doing the little bits and pieces that need to be done! Thank you to the kids for playing fairly, being encouraging of everyone's abilities, for having fun, playing hard and being good sports. Lastly thanks to the parents for being there every week. These kids are only young once! GO CRUZERS.

Awards: Reuben and Simmie
