**WHOLE SCHOOL PROFESSIONAL PRACTICE DAY**

For Term 2, 2022, the Department of Education and Training has provided schools with the option to hold each teacher's allocated professional practice day on the same day for all staff. This is to enable the most effective and efficient use of this day. As a result, we have scheduled our professional practice day for **TUESDAY, 14TH JUNE**. Students will therefore not be required to attend school on this day.

TheirCare will be open to provide care for students on this day, 7.00 am — 6.00 pm.

You can book your child into TheirCare via their website.

**RADIO—KWPS**

Following up from the session that the Senior School had with Radio John, the children have been presenting a Radio segment to the children while they have their lunch. The first session was last Friday and another yesterday, with each of the children having the opportunity to present an item.

**COLDER WEATHER**

Could you please make sure that your children's clothes are named as they are tending to leave jumpers / windcheaters outside at lunchtime / sports.
