PARENTS & FRIENDS

CAREERS DAY

I mentioned in a previous newsletter that we have deferred our Education Week Celebrations until **Thursday June 20**. The theme for Education Week 2019 is "Celebrating Careers". We will be having an Open Day on that Thursday and students will dress up as their "**dream job**". As part of the celebrations I would like to invite parents to come and speak to their child's class about their own careers. Any career will be great, don't think that yours won't be interesting! So far I only have two parents so please be brave and have a go. In particular, I would appreciate any farmers to come along as students have been involved in a Farm Safety Program throughout Term 2 here at school. Please contact me at school if you are able to be a part of this fun event. I need to know who is available to be able to finalise a timetable of events, we really need your help to make this a fun day for everyone.

SCHOOL DISCO

Katandra West was rocking on Tuesday night at our school disco. DJ Josh and DJ Meg cranked the music and our students showed they had the moves like Jagger. Thanks to the parents who were able to help with the supper table. The supper plates that families brought to share were magnificent, thank you. It was a fun event for our school community, made great by everyone who attended.

BUS ROUTE

I have received confirmation from PTV that the extension/variation to the Katandra West Primary School Bus Route has been officially approved. The new bus route will start from **Monday 15th July, day 1 of Term 3**. This has been a lengthy process and I thank you for your patience and the input I have received along the way from various community members, including School Councilors. You will find the new bus route, including times for pick up and drop off for each designated stop (stops are numbered on the map) with this newsletter. The new bus route is longer, so the designated stops are the only stops that will be used. Connie will not be able to vary the route or add any stops as this will further extend the time for students on the bus. I am aware that the pick up and drop off times will change for some families, that is why reasonable time has been given for families to make suitable arrangements to their morning and afternoon routines by the start date of 15th July. We have allocated families a stop near their home. Families are able to use another designated stop if the times are more convenient, please let the office know if this is the case so we can reflect this on the list of students at each designated stop. When the bus route begins in Term 3, we will need to allow time for everyone to get used to the change. I ask that families support the new bus route and understand that there may be some initial hiccups but will run smoothly given some time.

STUDENT/PARENT/TEACHER CONFERENCE

We have scheduled the Student/Parent/Teacher Conferences to occur on **Thursday 18th July**. To book your child's Conference time, please complete the attached notice and return it to the office by Tuesday 26th June to allow confirmation of your Conference time with the Newsletter on Wednesday 27th June in the last week of Term 2. Students are required to attend their Conference as they will be leading the conversation where appropriate. At Katandra West Primary School we expect students to take ownership of their learning and therefore they will discuss their learning at their Conference. Students are not required at school at other times during the day.

15 MILE CREEK GRADE 5/6 CAMP

The Grade 5/6 camp to 15 Mile Creek is soon approaching, **12-16 August**. Students in Grade 5/6 will receive an initial form regarding this camp today. Please return this notice to the office by the end of Term 2 so we can confirm numbers with the camp. The curriculum offered at this camp is related to Exploring our Environment, we hope to include a snow day again this year!

DISCO

Just a few photos from the night, a lot of photos couldn't be used as they were blurry because our students were moving and grooving so much!

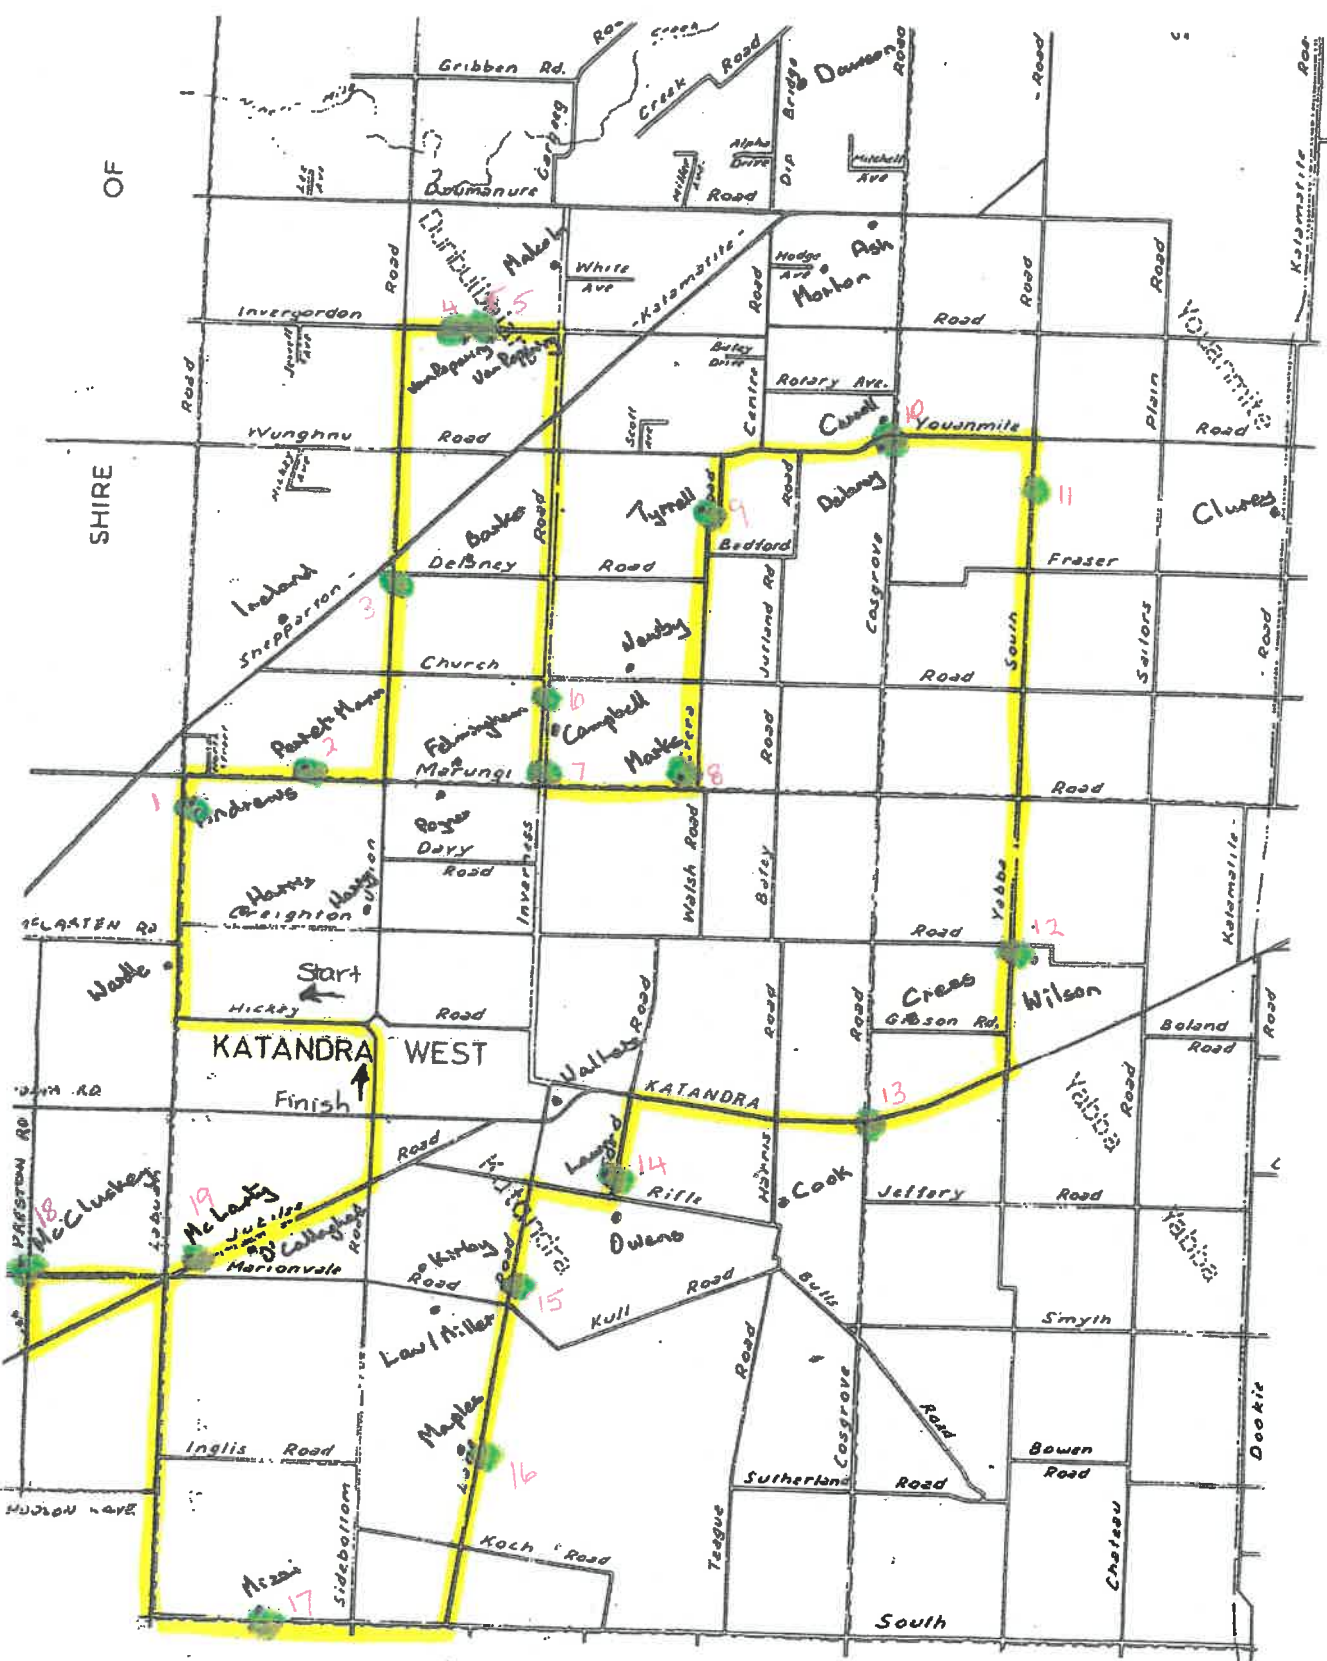

Sporting Schools:

We have had to cancel Tonight's Sporting Schools Basketball, so our last session will be held next Wednesday 19th June. Sorry for the inconvenience.
