OPEN DAY — PARENT'S CAREERS

To celebrate Education Week (albeit belatedly), we have scheduled an Open Day related to the theme of "Celebrating Careers". Students are able to dress up for the day as their **Dream Job**. Our Open Day starts at 9.00am sharp with our everyday routine of "Reader's Workshop". I have included the Instructional Model of the Reader's Workshop for you to see what you will be a part of. Please bring your own book to read during the Independent Reading part of the Workshop. At the conclusion of the Reader's Workshop (10.00 am), students will participate in a Costume Parade that parents are encouraged to attend. The remainder of the day involves some brave parents who have volunteered to speak with groups of students about their careers. A flyer with further details was posted on Flexi Buzz earlier this week.

FROM THE PRINCIPAL—Marcia Waters

15 MILE CREEK 5/6 CAMP

All students in Year 5 and Year 6 need to return their form regarding the **15 Mile Creek Camp**. This form indicates your child's intention to attend or not attend. It is important it is returned by **Friday 28th June** in order for the school to confirm numbers with the camp. Further permission forms and information about the camp activities will be sent home with the students who are attending next term.

PARENT/STUDENT/TEACHER CONFERENCE

We have scheduled the Student/Parent/Teacher Conferences to occur on **Thursday 18th July**. To book your child's Conference time, please return your child's form indicating your preferred time, to the office by Tuesday 26th June. This will allow confirmation of your Conference time to be sent home with the Newsletter in the last week of Term 2. Students are required to attend their Conference as they will be leading the conversation where appropriate. At Katandra West Primary School we expect students to take ownership of their learning and therefore they will discuss their learning at their Conference. Students are not required at school at other times during the day.

LAST DAY TERM 2

Term 2 has just flown! The last day of Term 2 is **Friday 28th June**. We will be having an end of term assembly in the BER at **2.00pm** with students being dismissed at **2.30pm**. We will take this opportunity to present Term 2 awards for attendance and returning sports equipment. The bus will leave after students are dismissed so please adjust your pick up time accordingly.

Reader's Workshop Instructional Model

Part One 5-10 mins

Whole class reading strategy
mini lesson

The mini lesson can include: **Read Aloud** – Teacher reads a mentor text that clearly demonstrates the lesson focus or **Shared Reading** – Students and Teacher read a mentor text that represents the reading strategy. We practise our reading strategy as a whole class.

Part Two 20 mins

Independent reading

Students read a "just right" book independently, practising the reading strategy that has just been covered during the mini lesson. Teacher reads and confers with students individually during this time, providing short, sharp, one-on-one instruction.

Catch and Release 2 mins

Teacher brings students together to reflect and redirect.

Part Three 20 mins

Purposeful reading tasks

Students participate in small group reading activities or whole class reading tasks. Small group focused teaching can include: **Language Experience** (for pre-readers), **Small Group Shared Reading**, **Guided Reading**, **Reciprocal Teaching** and **Literature Circles**.

Part Four 5-10 mins

Reflection

Students report on the reading strategies they used during the session. Sometimes our reflection is whole class, sometimes students "turn and talk" to a peer about their reading.
