OUTSIDE SCHOOL HOURS CARE (OSHC)

TheirCare are up and running and provide before and after school care in the Art Room. Before school care is available between 7.00-9.00 am and after school care is available between 3.30-6.00 pm. To register and make a booking for your child, please visit <https://theircare.com.au/>

I have received positive feedback from a parent who has used the service this week, her child enjoyed the after school care she was booked in for earlier this week, so much so, she made two further bookings this week. Providing OSHC at Katandra West Primary School allows our parents/carers to fulfil their work/study commitments with reassurance that their children are being cared for in a safe environment with fun things to do. Sam (our OSHC Educator) is excited about the program she has planned over the next few weeks and hopes to see more children come along. If you have any questions regarding OSHC, please contact the office or TheirCare.

STUDENT LEARNING CONFERENCES

A SchoolStream notice was sent on Monday this week with an electronic booking form for the upcoming Student Learning Conferences, **Wednesday 4th August** (this day is a student free day). Please complete the electronic booking form via SchoolStream to indicate your preferred conference timeslot. Students are required to attend their Conference with their Parents/Guardians as they will discuss their learning with you and their teacher. Each child will be allocated a conference time which will be scheduled to last approximately 15 minutes. If you have more than one child attending the school, we shall endeavour to schedule the Conferences so that they are fairly consecutive.

You will be notified of your appointment time/s the week prior to the Student Learning Conferences.

FOUNDATION 2022

This term sees the first of our transition sessions for our Foundation 2022 students. If you have a child starting at Katandra West Primary School in 2022, please ensure you send their enrolment forms to the office as soon as possible. I have created a **group on SchoolStream called "Foundation 2022"** and I have added parents/carers of Foundation 2022 children to the group. I will use SchoolStream to communicate to Foundation 2022 parents/carers about all things transition. If you know of any families intending to enrol their child in Foundation at Katandra West Primary School in 2022, please encourage them to contact the office so we can help them with the enrolment process.

SOCCER REPORTS

Under 10s Soccer Report 26th June

It was a fast paced game against Sirius College. They certainly kept us on our toes for our last match before a 2 week holiday. We tried hard but could not get a win on the board against them. Defensively we certainly held our ground with countless goal stoppages and turnovers and our forward line worked so hard but Sirius had a strong back line. Chelsea scored herself the SJSA award, Nathan took home the Maccas award. Dean is off to Inflatable Nation and Laurence is getting a brain freeze at Boost. Well done team!

Under 7s Soccer Report 26th June

We played a tough game but showed great resilience against Orrvale Wanderers and we scored 1 goal which Flynn got! It was a ripper goal which he scored from half way across the field! Zoe got the McDs award and Flynn got the Boost Award. Looking forward to getting back into it again this week!

100 Days of Learning

Our F/1 class celebrated 100 days of learning this week!
