A reminder to families to contribute to your child's education at Katandra West Primary School by paying the Parent Payment. The Parent Payment ensures that we can continue to provide quality resources and educational experiences to support a rich teaching and learning program. **This includes your child's exercise books and stationery that has been provided in 2022.** Without your contribution from the Parent Payment, providing such experiences becomes compromised and programs may need to be discontinued. We are unable to provide an "invoice" for the Parent Payment. If you would like to know how much the Parent Payment is, please contact the office.

You can use direct deposit to make your contribution:

**BSB 063 527 Account 1014 5342.**

Please contact the office if you need further information about the Parent Payment.

## STUDENT LEARNING CONFERENCES THURSDAY 21 JULY — TOMORROW

At Katandra West Primary School, we believe it is important for students to have a voice in their learning and take responsibility and ownership of their progress. The Student Learning Conferences provide students with the opportunity to lead and participate in a discussion about their learning. They are supported by their Parents/Guardians and Classroom Teacher during the Student Learning Conference. Students are required to attend their Student Learning Conference, but not at other times that day. OSHC is available, you can book through the TheirCare website. **A timetable of Student Learning Conferences is included with this newsletter.** Please be punctual to your child's conference to ensure the day runs smoothly. If you did not indicate a preference for a conference time, a time has been allocated for you.

**Be Safe - Be Respectful - Be Strong - Be Your Best**

**PLAYGROUP**

The Katandra West Playgroup will meet **every Friday** throughout Term 3, starting **Friday 15th July @ 9.00 in the Old School Building**. **An update from the Italian classroom**

Benevenuti and Buongiorno to everyone and I hope you had an enjoyable break. We are back into full swing in the Italian classroom. The F/1 students are extending their oral skills in the language and recognising the numbers and colours in printed form. The greetings have been extended. The students are asking and answering how they feel through the song "Bene Grazie e Lei?"

Classe 2/3 have been reading "Il piccolo Bruco Affamato" (The Very Hungry Caterpillar). Students will complete a number of activities that include learning the days of the week (La Settimana) and Fruit (La Frutta) in Italian. We will also revise the colours. The class will create a book and make a caterpillar in a few weeks as part of an art and craft activity. It would be great if each child could bring an empty egg carton to school by the end of Week 5.

Classe 4/5/6 have been learning about the weather "Il tempo" and will present a weather report in the language at the end of the term to be shared with other classes.

Grazie a tutti. Ciao Signora.
