100 DAYS OF LEARNING

Our junior grades celebrated 100 days of learning at school in 2019 last week. They were encouraged to dress up with the theme of "100". This resulted in creative and amazing outfits. Everyone had a great day completing activities that were related to the number 100. A huge thank you to Laura, Georgie and Rochelle who topped the celebrations off with yummy cupcakes!

GRADE 5/6 15 MILE CREEK CAMP

Today students had a visit from Matty from 15 Mile Creek Camp. Matty spoke with students about what to expect at camp and showed them some of the safety equipment they will use during some of their adventure activities. Don't forget the **Kathmandu Shepparton** promotion this weekend if you were thinking of purchasing any items for camp. Families may also borrow items from friends needed for the camp, you do not need to buy things.

KATHMANDU PROMOTION

A reminder that **ALL** Katandra West Primary School families and staff are invited to take advantage of the Kathmandu Shepparton promotion. You don't need to have a child in Year 5/6 to purchase items from their range at a significant discount. See the attached letter for further details.

2020 FOUNDATION TRANSITION

Our Transition Program for 2020 Foundation students begins next week, **Wednesday 7th August**. Our current F/1 class will walk to the Katandra West Children's Centre and visit the Kinder kids. This is a session that benefits all children involved. Our current students always enjoy revisiting where they went to Kinder and it brings back lots of fond memories for them, and the 2020 Foundation students start to make a connection with the children they will be learning with next year.
