**F-2 EXTENDED DAY/SLEEPOVER**

Last Thursday was very exciting for our students in Foundation to Year 2. They stayed at school after all other students were dismissed at 3.30 to participate in the Extended Day/Sleepover. This is the "camp" for students in F-2, aiming to develop their independence, ability to stay away from home and have a go at new things. I was lucky enough to help them create some amazing grass heads before my shift at the Community Cricket Teas. I also popped back into school to find that all students were settled for the night. A big thank you to the parents that volunteered to help with afternoon tea and breakfast, also to the parents who put their hand up to help but were not required. This experience is only possible with the help of parents.

**2020 FOUNDATION TRANSITION**

Tomorrow we welcome our 11 Foundation students for 2020 to Katandra West Primary School for a transition visit. As the children spend time in the classroom, I will facilitate a parent meeting.

**CRICKET DAY**

As I write this newsletter, Jacquie Monk is filming our students in their cricket gear for our annual concert. I've had a sneak peek at what students have been doing and it looks like a lot of fun. I can't wait to see it all come together at the concert on **Tuesday December 3rd.**

**HOTSHOTS TENNIS**

We currently have students competing at a Hotshots Tennis Competition in Shepparton today. I'll update you about how their day has gone via FlexiBuzz when I have the details. The students have been practicing during their lunch times in readiness for the event. It is pleasing to see students working hard to "be their best".
