TRANSITION

Last Thursday our 11 2020 Foundation students came to school for the morning. They enjoyed the activities on offer, including time with our current Year 4/5 students who will be their buddies in 2020. Our next transition session is one that all students will be involved in. On **Tuesday 10th December** our Year 6 students will spend the day at their chosen secondary school. All other students (including the 2020 Foundation students) will spend half the day working with their 2020 class and teacher in their 2020 classroom. Students in the 2020 4/5/6 class will meet their Foundation Buddy for 2020 (note that some 2020 Year 4 students will be "Back Up Buddies" due to uneven numbers).

YEAR 3/4 BALLARAT CAMP

All reports from the Ballarat Camp are positive, with students participating in many exciting opportunities. Some students even struck it rich panning for gold at Sovereign Hill! I'm sure they will all sleep well tonight and give their families an extra long hug after being away for two nights. Thank you to Trudie for taking time off work to be a part of the camp.

FROM THE PRINCIPAL—Marcia Waters

GRANDPARENTS DAY

We welcomed a number of Grandparents to Katandra West primary School today who were visiting our F-2 students. Lots of fun was had by all. A big thank you to the Grandparents that were able to come into school and share the experience with their grandchild. Also a huge thank you to Amy van Popering for baking the scones for the afternoon tea, delicious! I hope to include photos next week.

IPAD LEASE PROGRAM

A reminder to families that the notices for the iPad Lease Program are due back at school **Friday 22nd November**. It is important that they are returned on time to ensure they are ready for pick up before the end of the school year. It was brought to my attention that the "pink" iPad Lease Program Options notice, included the 2019 program pricing. I will send home the correct information today (if I catch them all after camp) or tomorrow. Also, please note that if there are families with students in Year 5/6 in 2020, you are able to join the program if you haven't already done so, or upgrade your child's iPad if you would like. Please contact the office for the relevant information if this is the case.

MEN'S SHED & BUNNINGS

Students in Year 5 and Year 6 will visit the Katandra West & District Men's Shed next **Wednesday 20th November**. They will participate in some hands on activities with representatives from Bunnings and the Men's Shed.
