RESPONSIBLE PET OWNERSHIP PROGRAM

Due to unforeseen circumstances the Responsible Pet Ownership Program was rescheduled and will now take place on **Monday 20th November**.

DITTO'S KEEP SAFE ADVENTURE EDUCATION PROGRAM

Tomorrow our F-2 students will have the opportunity to participate in The Ditto Show. The Ditto Show is a Personal Safety Education Program provided by Bravehearts. Further information about the program is provided on the additional notice handed out to F-2 students with today's newsletter.

F-2 EXTENDED DAY AND SLEEPOVER

Our F-2 students will have their introduction to our Camping Program next week with the Extended Day and Sleepover. Parents are reminded that payment for this experience is now due. If students are participating in the Extended Day only, the cost is **\$15**. For students who are participating in the Sleepover, the cost is **\$20**. Another notice is being sent home today with students who have not returned them. All forms need to be returned by **tomorrow**. Once we have all notices returned we will be sending home information regarding the parent helpers that have generously volunteered their time.

ASSEMBLY ON MONDAY

It feels like so long ago that we had a Monday morning assembly! This Monday's assembly will include the presentation of the **2017 Victorian Premiers' Reading Challenge** certificates to the 46 Katandra West students that were successful in completing the challenge. It will also include announcing the place winners of items entered in the Dookie Show submitted via the school. If you entered items in the Dookie Show on behalf of your child, and they achieved an award, please notify the office this week so we can include them in the announcement on Monday morning.

STAFFING 2018

We have had an unexpected change to the Staff in 2018. We had appointed Kylie Craik from Euroa Primary School in the position of the F/1 classroom teacher. Circumstances have changed at Euroa Primary School that have allowed Kylie to stay there. This means we have recently begun the recruitment process for a F/1 teacher again. I am confident we will find a suitable teacher prior to the Orientation Day, December 12th. I will announce the appointment in a future newsletter.
