SCHOOL CONCERT

Oh what a night! Our students can certainly be proud of their performance of "Katandra's Classic Catches" last night. All the script re-writes, filming and rehearsals paid off, making it a spectacular show. Standing in the wings I saw our students shine on stage and definitely demonstrate our value of "Be your Best". The other value I saw demonstrated was "Be Strong". Not everyone finds it easy to get up on stage in front of a large crowd, so to see students put their nerves aside and perform, was immensely pleasing. It was heartwarming to receive positive feedback from parents that I spoke to after the show, I'm glad you enjoyed it as much as I know our students enjoyed presenting it.

A big thanks again to School Council members, and some Men's Shed members, that picked up the stage on Friday and also to those that set it up on Sunday. Without your help in organizing the stage, the concert experience would not be the same for our students.

Also thanks to the P&F Committee for organizing the raffle, drinks and zooper doopers. I know there's a number of excited students and families that were lucky winners last night!

I also want to acknowledge families for helping their child with costumes, hair and make-up on the night. The colour and sparkle complemented the smiles of your children.

My last thanks is to Jacque Monk, Andrew Nicholls and our dedicated staff members. I am super proud of the positive attitude our team has in supporting our students during concert preparations as well as on the night. The enthusiasm our teaching team has for the concert was best demonstrated during the staff act!
